

Basic Keelboat ASA 101 Class

RECOMMENDED STUDY BEFORE CLASS

- Read: *Sailing Made Easy*
Federal Requirements for Boaters booklet
- Complete the review questions in *Sailing Made Easy*
- Know the list of boat parts listed in your ASA logbook under the Basic Keelboat Standard
- Complete the Basic Keelboat Study Guide
- Practice knots: Figure eight, cleat hitch, clove hitch, round turn and two half hitched, reef knot, bowline

The American Sailing Association's Basic Keelboat Sailing course is approved by the National Association of Boating Law Administrators (NASBLA) and the U.S. Coast Guard as a recognized Safe Boating Course. As such, it meets all the requirements for boating education and/or licensing for every state in the United States.

Students enrolled in courses which lead to Basic Keelboat Sailing Certification will be responsible for all material contained in *Sailing Made Easy*.
